

**A child dies every 6 seconds of hunger  
around the world.**

**St. Mary has chosen to do something about it!**

Children of St. Mary in grades K—8, and adult parishioners have been donating their coins all year.

Help us reach our final goal of packing 10,000 meals!

**We're almost there.**

**DONATE TODAY!**

28 cents per meal is all it takes to feed a hungry child!
